Policies

Skills Assessment -All clients are encouraged to test themselves and earn a certificate.

Cancellations and Make-ups - Please give as much notice as possible when you are cancelling. No make-up for Saturday lessons unless I can fill your time. Other lessons must be made up within a month. Missed training rides for weather or illness will be refunded at the beginning of the subsequent month's accounting. You may make up one discounted lesson.

Winter Hours - Horses need to be finished working, as well as cool and dry enough to blanket, before putting away. We have lights for evening riding, but not jumping.

Rainy-Day / Hot-Day Lessons - On days when it is too wet or too hot to ride, we will have instructional activities in place of riding for club and monthly riders. If I am here training or teaching, no refund or make-up will be offered for hot or rainy days.
